

Ice will be available for purchase onsite to vendors – price TBD. Please indicate whether or not you will purchase ice on-site and approximate quantity so that we can plan accordingly.

Include no money for ice now. Yes, I will purchase ice onsite – approximately # _____ bags.

Electrical Equipment – If you require electrical service, please complete the enclosed electrical order form and return it with your completed application.

Do you require electricity at your booth? YES NO

The Rancho Cordova 4th of July Festival will supply each vendor with a **standard 20 amp, 110 Volts** of electricity upon request. Additional requirements **MUST** be discussed and approved with official electricians.

- List ALL electrical equipment to be used at this years Rancho Cordova 4th of July Festival.
- Each booth will be inspected daily by Festival Committee electrician to ensure overload of amperage does not occur
- Vendors found to be in violation of the above, hooked up to an electrical outlet in unauthorized areas will have equipment taken out of service and may be shut down.

List the equipment that will need electricity and the approximate amperage of each:

Vendors causing any damage to electrical equipment due to unauthorized electrical hookups will be held liable for the cost of repairs. Any additional or special electrical needs requested on-site may result in additional fees.

Purpose of trailer, auto or truck - _____

Other special needs: _____

Health Permit Information for Food Vendors

The Rancho Cordova 4th of July Festival Management will no longer sell temporary food facility permits (TFF's). If you are a food and/or beverage vendor, you must have a multi-event health permit. If you do not, you will not be permitted to sell. Applications for a multi-event food permit may be obtained through the Sacramento County Health Department. Permits will be checked and validated by the Sacramento County Health Department during the course of their health inspections.

Multi-event health permit # _____

Choose one category below that best describes your food/beverage product(s). *Please refer to Vendor Policies and Procedures for definition of terms*

*Pre-packaged/low risk

*Food Preparation/high risk
